

## Disease Risk Assessment for Cats

Disease risks can vary by region, and by animal. Answering these questions can help your veterinarian develop an immunization program to protect your pet.

Your cats name is \_\_\_\_\_

Does your pet sleep with you or your children? \_\_\_\_\_

How old is your pet? \_\_\_\_\_

Do you ever take your pet to the groomer or a boarding facility? \_\_\_\_\_

Is your pet spayed/neutered \_\_\_\_\_

Do you ever take your pet to cat shows? \_\_\_\_\_

How many cats are in your household? \_\_\_\_\_

Is your cat indoors only? \_\_\_\_\_

This is only a partial list of the factors that influence disease-risk.

Your veterinarian may have additional questions to help determine an immunization program that is best for your pet.

When your pet goes outside is it ever un-supervised? \_\_\_\_\_

Additional questions:

Does your pet come into contact with other pets or their environments? \_\_\_\_\_

Is there wildlife in your area, including mice, squirrels, birds, possums, raccoons, or skunks? \_\_\_\_\_

## Disease Risk Assessment for Dogs

Disease risks can vary by region, and by animal. Answering these questions can help your veterinarian develop an immunization program to protect your pet.

Your dogs name is \_\_\_\_\_

Does your pet sleep with you or your children? \_\_\_\_\_

How old is your pet? \_\_\_\_\_

Do you ever take your pet to the groomer or a boarding facility? \_\_\_\_\_

Is your pet spayed/neutered \_\_\_\_\_

Do you ever take your pet to dog shows? \_\_\_\_\_

How many dogs are in your household? \_\_\_\_\_

Do you ever take your dog hunting? \_\_\_\_\_

Is your cat indoors only? \_\_\_\_\_

Are there mosquitoes in your area? \_\_\_\_\_

When your pet goes outside is it ever un-supervised? \_\_\_\_\_

If your dog is on monthly heartworm preventive, have you ever missed a dose by more than 2 weeks? \_\_\_\_\_

Does your pet come into contact with other pets or their environments? \_\_\_\_\_

This is only a partial list of the factors that influence disease-risk.

Your veterinarian may have additional questions to help determine an immunization program that is best for your pet.

Is there wildlife in your area, including mice, squirrels, birds, possums, raccoons, or skunks? \_\_\_\_\_

Additional questions:

Are there ticks in your area? \_\_\_\_\_

Do you travel with your pets to areas where ticks or mosquitoes may be present? \_\_\_\_\_

Does your pet have the opportunity to drink from standing water outdoors (ponds, puddles, etc.)?  
\_\_\_\_\_
